We've all dreamt about it, that perfect piece of land to farm our own food, raise our own animals, build our own shelter.

Now it can be yours.

On the finest soil this side of Paradise lies this gentle parcel of 20.71 level acres. With the barn, fencing, garden, water and power waiting for you all you need is to pick the spot to put your own roots down.

Feed stores and farmers markets are mere minutes away. Feeling social? Enjoy the sights and sounds of Bigfork or Kalispell, just close enough to be convenient.

See it to believe it.
