Natural beauty is perfectly reflected in this thoughtfully appointed timber frame home, replete with river rock fireplace, generous windows and natural elements meant to please and soothe.

A gently curving drive arrives home to 3.43 acres of refuge meant exclusively for you. Relax by the fireplace or retire to a generous deck overlooking your wildlife neighbors, the backdrop a sun swept nature-made painting of Swan Mountains in shades of pink and lavender.

An additional lower level of 1,000+/- sq-ft offers space to escape and play. Or rest.

Expand your peaceful surroundings - adjoining 5.52 acres is also yours for the taking.

Deep breathing begins now.
