Forget to count the days.

Leave the interruptions behind and live the vacation. Drop house maintenance, lawn mowing, and snow shoveling from your vocabulary and enjoy the close proximity to work, school, dining and entertainment.

With 1,100+/- sq-ft of room to stretch in relaxation is a requirement. A rock fireplace, well appointed kitchen, soothing birch cabinetry and granite counters are invitations to casual gatherings. Enjoy time with friends and family in familiar comfort.

Ideally situated, live the reasons you are here. Adventure waits right outside your door.

See it to believe it.
